Dear Parent of a Future Eighth Grader,

I am greatly looking forward to working with you and your child throughout the upcoming school year. Each new year brings such excitement into my life. There are a few things that I would like to inform you of in preparation for the beginning of the academic year.

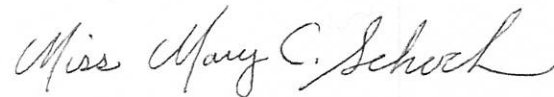

Please make sure that you read the handbook's uniform requirements before you purchase **school shoes**. Please comply with the styles required. I do uniform inspections daily, and I will issue demerits for those who do not have the complete, official uniform.

Your child's school supplies have been ordered for the upcoming year and will include everything that he/she should need, provided that the items are not wasted or lost. The bill for these supplies will be approximately \$18.00, and I will send it home to you in September. Please do not purchase your own supplies as I have ordered the necessary type books and other items.

Your child is expected to read from a choice of assigned books over the summer and complete two book reports. Your child must read C.S. Lewis', *The Magician's Nephew*. Please have your child also read one book from the second list and summarize it in a second book report. These two projects will be graded for the first trimester. Please also encourage your child to read throughout the summer for around thirty minutes per day.

Thank you for all that you do for your child. I hope that you and your family have a wonderful summer! May God bless you!

Sincerely,

A handwritten signature in cursive script that reads "Miss Mary C. Schoch".

Miss Mary C. Schoch
